

**KAMLOOPS FIRE & RESCUE SERVICES**

**CHECKLIST FOR INDOOR & OUTDOOR PYROTECHNICS**

**VENUE OF DISPLAY:** \_\_\_\_\_

**DISPLAYER'S NAME:** \_\_\_\_\_

**DATE AND TIME OF DISPLAY:** \_\_\_\_\_

This checklist forms part of the permit process for indoor & outdoor pyrotechnics. It is to be fully completed by the Displayer and returned to the Kamloops Fire Department prior to the issuance of a permit for the display of indoor & outdoor Pyrotechnics.

1. Written permission from the Venue of Display.
2. Proof of liability insurance in the amount of not less than \$2,000,000. The City of Kamloops and Venue shall be named.
3. A site diagram showing the location of all pyrotechnics to be used.
4. A complete description of all products to be used, including charge size, effects and manufacture's name.
5. A copy of the pyrotechnics license.
  - Blasting Certificate
  - Special Effects Blasting Certificate
  - Fireworks Supervisor Card
6. A description of the firing system being used.
7. A description of the types of ignitors being used.
8. A description of the precautions in place for Fire Prevention
9. A description of the Fire Safety Plan in the place in the event of a fire.
10. The position of all fire extinguishers in relations to the Pyro display. (This can be included on the site plan.)
11. The distance from the display to audiences and stage people (actors, talent, athletes, etc.)
12. A demonstration of the product(s) to be used, to ensure safety as well as ventilation needs are met.
13. References (which can be contacted) where previous displays were approved.
